

A woman with long brown hair is standing on a sandy beach. She is wearing a white bikini top and a white, short-sleeved, button-up cover-up with a lace-like pattern. She is leaning her right arm against a palm tree trunk. The background shows the ocean and a clear sky.

*Fanta Sea*  
Line Sheet

# Color Card

A color palette that unites the two worlds: air and sea, analog and digital. To create a transition, we start in the air space with pastel colors, touches of lilac and lavender, light pinks and turquoise, and then go down to more bluish and intense tones evoking the sea and its depths, the transition of the surreal *Fanta Sea* ends with green and purple colors colors toned down with whites, blacks and metallics.

---

Una paleta de color que une los dos mundos: aire y mar, análogo y digital. Para crear una transición, iniciamos en el espacio aéreo con colores apastelados, toques de lilas y lavandas, ligeros rosas y turquesas, para luego bajar a tonos más azulosos e intensos evocando el mar y sus profundidades, la transición de la *Fanta Sea* surreal termina con colores verdes y morados atenuados con blancos, negros y metalizados.

A large, light gray, stylized graphic of the letters 'ER' is positioned in the background. The 'E' is on the left and the 'R' is on the right. The letters are composed of thick, rounded strokes. The 'E' has a vertical stem on the right side, and the 'R' has a vertical stem on the left side. The overall style is modern and minimalist.
